

Certificate for Type Test of Specific Equipments (Safety Appurtenances)

Certificate No. : TSX71000520210041

Manufacturer: Goetze KG Armaturen

Address: Robert-Mayer-Strasse 21, D-71636 Ludwigsburg

Product Category: Safety Appurtenance

Manufacture Range: Safety Valves

Type Test Report No. : TSX7100052021041S

Characteristics which the sample valves have shown in type testing are satisfactory according to “Safety Technical Supervision Regulations for Safety Valves” and can cover the following products:

Name	Type/Series	DN mm	PN MPa	Set Pressure MPa	Temperature °C	Applicable Fluids
Spring Loaded Safety Valve	455	15 - 100	≤4.0	≤4.0	-196 to +400°C	Gases, liquids, steam and cryogenic fluids
	355	15 - 100	≤4.0	≤4.0	-10 to +350°C	Gases, liquids and steam
	420	8 - 10	≤6.3	≤5.0	-40 to +260°C	Gases and liquids
